Staff

The annual staff sincerely hopes that you will like and enjoy the 1957-58 Bulldog. We have worked hard but along with the hard work we have had great fun.

It took hours of our school and after school time to help the photographer make pictures, identify group and individual pictures, check and double check the spelling of names, draw layouts, type copy, proofread the copy, and meet the deadlines.

However, planning and editing the 1957-58 Bulldog has been one of the happiest experiences of our four years in high school. We have worked to make it an accurate record, a treasure chest of memories and a yearbook that will be a credit to our class of 1958.

THIS IS OUR LIFE

This is a record of our school year of 1957-'58 - a picture story of the student life and activities at Brunswick High School. It is compiled and edited by the Senior Class with the hope that you will recall memories not only for today but forever.

For each of us, there were those thought - provoking lessons that trained us to reason . . . We looked forward, of course, to good times, but we realize that it was the curricular work which gave us the opportunity to enrich our minds, and to prepare ourselves for a constructive life.

Dedication

It would be difficult indeed to find a person more dedicated to the welfare of Brunswick High School in its various programs than our assistant principal and annual sponsor, **Mr. W. Y. Manson.** He has given freely of time and energy to make this school and what it stands for all that it should be. Whether it be in the classroom, at staff meetings, or in girls' athletics, we can always depend on his loyal support and leadership.

It is with pride that the class of 1958 dedicates this volume to him.
